

GENERAL INFO QUAD

A minimum of 15 registrants will be required for the trackday to take place.

LEVELS :

Quad riders take part in runs in maximum groups of 25.

RUNS :

Quad groups take part in six runs of 15 minutes each.

TRACK :

The track riders follow is very similar to the 2014 Superbiker track (1,428 meters, of which 66% is tarmac and 34% is off-road).

AGE :

Minimum age 18 years. Parents' or guardians' permission is required for under-18s.

EQUIPMENT :

Leathers are compulsory (one- or two-piece) plus circuit-breaker.

AUTHORISED TYRES :

Super-quad tyres only (no studded tyres or tensioners allowed).

NOISE CONTROL :

The noise limit is set at 101dB in dynamic range. Based on the experience of previous years, only "enduro type" exhaust pipes and/or pipes with a double outlet fitted with a dB killer will now be authorized.

MEDICALE ASSISTANCE :

Medical assistance is provided by one doctor, one nurse and one ambulance. The health centre is on the ground floor of the control tower.

REFRESHMENTS :

The café is on the second floor of the control tower, is open all day and offers a midday menu or sandwiches.

PHOTO SERVICE :

A photographer is on site all day and riders will have the chance to buy photos of their experience.

WEATHER CONDITIONS :

Confirmation or cancellation of each date according to weather conditions will be published in priority position on this page and also on the Facebook Page.
